# TELECOMMUNICATIONS / MEDIA

Law Office Vujacic provides clients with a full range of legal services in the field of telecommunication, media and technology. By ensuring a professional relationship with regulatory agencies and other governmental institutions, we work diligently for the most favorable outcome for our clients.

Our experience genuinely spans the full range of significant legal issues arising in today's telecommunications industry.

We understand the clients' needs and in that regard we provide legal services in the process of obtaining different types of licenses, interactive TV program formats, mobile content services, and dispute resolution.

With one of the biggest media law practices in the country, this is perhaps Law Office Vujacic best known area of expertise. We represent the biggest names in print and broadcast media and provide our clients with honed, experienced and measured advice.
